Deputy Director

Room 3E 322, The Pentagon

Dear Bill:

Following up on our conversation of last Tuesday prior to the Watch Committee meeting, I just want to confirm that if adequate space and communications are provided for the staff of NIC and the Watch Committee, we would be prepared to move to the WSEG area with the CHIC and relinquish the space we presently hold, as well as the requirement for the previous CHIC area.

I have asked [ ] to get together appropriate project officers in order to state our total requirements and to see how they fit into your estimated availabilities. As you know, we are taking on more people on the NIC staff and, in addition, our present accommodations are entirely too meager for the job we are charged with doing.

After our working people have come up with something which you and I can discuss, let's get together. In the meantime, I suggest we leave Mr. McCone's letter to Mr. McNamara on the docket.

Faithfully yours,

13/ Pat
